

CROSS COUNTRY

The school has a strong team which competes in the Canterbury, South Island and NZ Secondary Schools Championships. The team competes most Saturdays throughout the winter. Team trainings to be confirmed.

EQUIPMENT/UNIFORM

Students will wear a CBHS top (running singlet \$40 from the uniform shop) to compete in and need to wear their CBHS PE black shorts. It is recommended students have a pair of spikes, but these are not a requirement of participation.

COST

Saturday running approximately \$60 each (calculated by age). Events outside of Canterbury will incur costs dependent on each event and its location.
