

ROWING

Rowing at CBHS has a very enthusiastic and successful squad of 50+ participants who train and compete regularly during the season. We have a very experienced team of 6 coaches. We also have a highly organised and motivated parent rowing committee of 10 members and a Master in Charge of Rowing who is a CBHS staff member.

The rowers train on Kerrs Reach and have an association with the Canterbury Rowing Club and the NZ Rowing Association. Each year CBHS rowers compete in a variety of regattas culminating in the Maadi Cup, which is the NZ School Championships held in March. Over the past 2 years the squad has won 9 national titles and we are consistently ranked as one of the top rowing schools in the South Island and New Zealand.
