

CYCLING

Cycling is very strong at Christchurch Boys' High School and we regularly produce national age grade riders.

In 2017, Mr McNaughton was named Schools' Cycling Coach of the Year. The recent success of old boys such as Anton Cooper, Hugo Jones and Keagan Girdlestone has provided much inspiration for our current riders.

The CBHS road cycling team competes in the interschool competition held on Wednesdays in Terms 2 and 3 on the Old Tai Tapu Road in a variety of different events - graded scratch races, hill climb, team time trials and individual time trials that cater for all abilities and has seen the team grow to 50 riders in 2017.

Term 2 & 3 2017

Dates: Every Wednesday during Terms 2 and 3

Time: Racing starts at 3:20pm

Venue: Old Tai Tapu Road, Halswell

Events 2017

8-9 July: SI Schools Road Championships - Ruapuna Race Track

16 Aug: Canterbury Schools TTT Championships - Old Tai Tapu Road

2-3 Sept: Southern Tour (4 stages over 2 days) - Blenheim

30 Sept-2 Oct Secondary Schools Nationals - 3 races over 3 days

EQUIPMENT/UNIFORM

Students will be required to wear/purchase a CBHS cycling kit. This will be purchased before the start of the season directly from Tineli (options are skin suit, short sleeve top, winter jacket, gloves and socks). Riders will need black cycle shorts if they only get the tops. As it is a winter sport, good front and rear lights, a spare tube (or 3), pump, tyre levers, thermals and leg and arm warmers are essential. Hub Cycles in Tower Junction or Chain Reaction will be able to help you out with this gear.

COST

The purchase of the kit at the start of the season. There is no fee for the season but some races such as the Southern Tour and Nationals events may incur additional costs
