

## YACHTING

We have a small, keen and successful group of competition sailors.

We hire 420s for competitions.

Members are expected to have competition experience.

Sailing takes place each Wednesday afternoon at Lyttelton and sometimes on Saturdays. The team sails in a number of interschool events.

Our team has represented Canterbury for the last 9 years at the National Secondary Schools Team Championships. A cost is fixed at the start of each year to offset travel and maintenance costs, hire of rescue boats, etcetera and \$150 to go towards boat hire.

### EQUIPMENT/UNIFORM

Parent involvement is essential in the running of yachting at CBHS.

### COST

Approx cost: 2017- \$1000 (travel outside of Canterbury may incur additional costs)
