

ATHLETICS

Athletics has no weekly competition at Christchurch Boys' High School, but has some events throughout the year that students can participate in. The school runs a compulsory Athletics Day in Term 1. A number of athletes compete for the school in inter-club competitions on Saturdays. The squad may also travel to Australia to compete.

EQUIPMENT/UNIFORM

Students will wear a CBHS top to compete in and need to wear their CBHS PE black shorts. It is recommended students have a pair of spikes or throwing shoes, but these are not a requirement of participation.

COST

\$20 sign up cost to cover local events. Events outside of Canterbury will incur costs dependent on each event and its location.

TRANSPORT ARRANGEMENTS

School will provide transport by either bus or van to and from the venue for the local events. Other travel arrangements will be made for events outside of Canterbury.

Students are expected to travel with school for all events running on school days, as they are representing the school and need to contribute to the team.

Canterbury Athletics Championships 2017

Tuesday 7th March (Prelims)

Saturday 11th March (Finals)
