

GOLF

We cater for both competitive and beginning golfers. Beginning golfers and those with high handicaps have coaching every week on a Monday at Russley Golf Course, and play on a Wednesday at Hagley Golf Course.

Transport is provided for both days (students make their own way home) as part of the cost of \$130.00.

It is preferred that students have their own clubs, although we may be able to assist if required. Students can also choose to just have lessons or just play on the Wednesday.

Low handicap golfers compete for positions in the school golf teams, which play in the inter-school competitions. The A team also competes in local and national inter-school events. Cost \$50.

EQUIPMENT/UNIFORM

Students provide their own clubs (preferred) CBHS golf polo \$__ from the uniform shop)

COST

As outlined above. Tournaments and other events may incur additional costs.
