

SURFING

The inter school surf contest runs during Term 1 and Term 4 at New Brighton Surf Club on a Wednesday afternoon from 3:00 – 5:00pm. The purpose of the contest, other than to have fun and improve your surfing, is to give surfers experience at contest conditions and it becomes a core component in selecting a Canterbury surf team, that go on to have winter training squads and attend National Surf Championships.

Students make their own way to the New Brighton Surf Club, and must have their own board and wetsuit.
