

TRIATHLON / DUATHLON

The school has a small but strong team which competes in the Canterbury, South Island and New Zealand Secondary Schools Championships. The school team has a proud history of producing a number of New Zealand, South Island and Canterbury Champions.

Team trainings to be confirmed.

EQUIPMENT/UNIFORM

Students will wear a CBHS tri-suit (school-provided) to compete in. Students are required to have a road bike and clip-in shoes would be recommended but not essential.

COST

Entry fees are approximately \$40/competition. Events outside of Canterbury will incur costs dependent on each event and its location.

It is expected that boys will get their own bikes to local events.
