10–13 TRM — TE REO MĀORI

INTRODUCTION

This course builds on the previous year’s work and develops skills in whakarongo (listening), kōrero (speaking), pānui (reading,) tuhituhi (writing), mātakitaki (observing) and whakaatu (presenting).

CONTENT

A wide range of teaching and learning techniques are implemented to enable effective student learning across the four main areas of language acquisition.

Reo Torohū – Receptive Language Skills

Whakarongo – Listening

Pānui – Reading

Reo Whakaputa – Productive Language Skills

Kōrero – Speaking

Tuhituhi - Writing

Cultural practices are also taught for student benefit and to enhance and develop emerging language skills

Tikanga – Protocol Based Learning

Marae/School Whare (Place Based Education)

Kapa Haka (Māori performance)

Mau Rākau (Māori Martial Arts)

Mahi Toi (Arts)

Using a wide range of teaching and learning strategies ensures that students will be provided every opportunity to learn and excel in Te Reo Māori.

TIKANGA

Students are taught about tikanga Māori from Year 9 through to Year 13. Much of this is done in class although a lot is also taught at the marae which all students visit every year as a group. There is a big emphasis on the concept of tuakana/teina (the elder taking care of the younger) while at the marae.

Every two years, Year 12 and 13 boys will go with their teacher to Rarotonga, where they will live with locals for a week on their marae. We will use our language, as this is the only other place apart from Aotearoa where Māori is spoken (although there are dialect differences).
