President’s Report – Term 1, 2019

This has been a significant term for the School with both an incredible low and an incredible high. The low was obviously the two Mosque attacks on March 15. Sadly, a number of the CBHS community were tragically affected by the events of that day. Atta Elayyan and Talha Naeem were Old Boys.

The Association Executive joins all Old Boys and the wider School community in extending our heartfelt sympathy to the families concerned as well as the wider Muslim community.

The high is obviously the winning of the Maadi Cup by the senior rowing eight. In fact, the whole rowing club achieved outstanding results. They all received wonderful support from both coaching staff and parents, and they are all to be congratulated and thanked for the huge amount of work put in. Well done!

The School is certainly in great heart, with a deep sense of pride being shown by the boys in their endeavours. Long may this continue.

Three important dates for Old Boys are on the horizon.

- **ANZAC Day** with a memorial service at 10.00 a.m. April 25 at School

- **Annual General Meeting of the Association** in the CBHS staffroom at 7.00 p.m., May 20

- **Annual Christ’s College game at School this year**, 2.40 p.m. May 30

School v College Annual Rugby Fixture Thursday 30th May 2019 – 2.40pm kickoff

Taupo – Rotorua Area
This invitation is sent to those who attended last year’s function together with those who missed last year, and in fact to all CBHS Old Boys who live in the Taupo, Rotorua and surrounding areas.

Last year Ian Allott advised that the group met for a chat at 11am then lunch at the “COSSIE CLUB” Taupo. After lunch all were invited to Ian and Jan’s home to watch the game on the big screen.

It is proposed to repeat the format however Ian is still investigating. “The Bay Bar & Brasserie” for lunch, as it is closer to their home in Acacia Bay. Afternoon tea will again be provided after the game. Please remember wives, partners and carers are all welcome to attend.

In order to assess viability of the function and lunch prices, Ian would be grateful for an early indication of likely attendance numbers either by email, phone or mail to Ian and Jan Allott

School Sports Achievements

There have been a number of significant sporting achievements in term one some of which are highlighted below.

• The 1<sup>st</sup> XI cricket team defeating Christ’s College by an innings and 157 runs. MacKenzie Smith scored 158* in this victory

• The CBHS Colts cricket team finishing 1<sup>st</sup> equal at the NZCT Tournament

• The success of our wider rowing squad winning the Maadi Cup, Springbok Shield, Star Trophy and six other gold medals and two bronze. Tim Heritage won five individual medals and Scott Shackleton four. Coach Logan Keys was recognised as the top secondary school coach in New Zealand.

• Our tennis side performed well at their national tournament and were recognised as the 8<sup>th</sup> strongest squad in New Zealand.

• Our handball teams also came 8<sup>th</sup> at Nationals

• Our touch team came 2<sup>nd</sup> in the South Islands with seven of the squad away in South Africa. Josh Burgess’ leadership of this young group was very impressive

• The CBHS athletics team winning 8 Gold, 7 Silver and 7 Bronze at the South Island Secondary Schools Athletics Championships.

• Two school athletics records being broken at Sports Day

• Our Ultimate Frisbee team winning the South Island Secondary Schools title

• A senior rugby squad has participated in a tournament in Dubai and South Africa

• Willows Cricket Club tour to Malaysia included 3 of the Schools 1<sup>st</sup> XI, they are Archie Redfern, Regan Sheehan & Ollie Curtis.
“A number of people have sent messages of congratulations to the school about our success at the Maadi Cup. I have though had more messages of congratulations about the brave stand our senior 8 rowing crew made about supporting diversity and inclusion by taping the rainbow colours to their oars in a statement against homophobic bullying”.

This has inspired many. We are very proud of this. There are some important messages for us.

➢ Top sportsmen do have a responsibility to set positive social messages

➢ The rowing 8 have set a challenge and standard for the rest of the school about courage and leadership and not being prepared to walk past offensive behaviour

➢ As a school we need to walk the walk – with advantage comes responsibility
