***Christchurch
Boys' High School***

**Fine Young Man Award
2019**

Student Record

Name: _____

Form Class: _____

*In keeping with the school creed, "Altiora Peto" – I seek higher things, Christchurch Boys' High School places great importance on the development of ***fine young men***. Students are encouraged to lead a balanced life and to continue striving to be the best that they can be across all aspects of school life - academic, sporting, the arts and culture, service and responsibility.*

Paramount Goals and Guiding Principles of the **Fine Young Man Award**

- To provide a supportive environment within which each student is empowered to reach his full potential as a young man.
- To encourage and foster the following attributes and attitudes in the young men of Christchurch Boys' High School:
 - personal resilience
 - the ability to work as part of a team
 - a willingness to serve without expectation of reward
 - humble in success, determined in defeat
 - the desire to strive for excellence in all areas
- To build on our reputation as a school that demands high standards in academic and co-curricular performance.
- To produce leaders in all fields of endeavour who inspire others to perform and achieve.
- To reinforce the idea of leading a balanced life; too little or too much involvement compromises the ability to 'seek higher things'.
- To highlight the paramount importance of academic achievement.

This is your *Fine Young Man* personal record booklet. Points are earned in **academic, co-curricular, service, attitude and responsibility** aspects over the course of the year. You should record your achievements in your booklet, collecting signatures from staff in charge as you do so. Record your weekly note averages in the space provided.

You will be able to keep a running total of your accumulated points at the back of this booklet. Form teachers will be able to use the booklets as a central focus for form time interviews. You should take care not to lose your booklet during the year as no duplicate copy will be kept.
